(the "**Corporation**") for use at the annual general and special meeting of the holders (the "**Shareholders**") of common shares ("**Common Shares**") of the Corporation to be held at 10:00 a.m. (Calgary time) on Thursday, June 13, 2024 (the "**Meeting**"), for the purposes set forth in the notice of annual general and special meeting (the "**Notice**") accompanying this Management Information Circular. Solicitation of proxies will be primarily by mail, but may also be undertaken by way of telephone, facsimile or oral communication by the directors, officers and regular employees of the Corporation, at no additional compensation. Costs associated with the solicitation of proxies will be borne by the Corporation.

Unless otherwise stated, information contained herein is given as of May 14, 2024 (the "**Effective Date**").

Appointment of Proxyholders

Accompanying this Management Information Circular is an instrument of proxy for use at the Meeting. Shareholders who are unable to attend the Meeting in person and wish to be represented by proxy are required to date and sign the enclosed instrument of proxy and return it in the enclosed return envelope. **All properly executed instruments of proxy for Shareholders must be deposited at the offices of the Corporation's registrar and transfer agent, Odyssey Trust Company at Trader's Bank Building, 702 – 67 Yonge Street, Toronto, Ontario, M5E 1J8 so that the proxy is received no later than 48 hours (excluding Saturdays, Sundays and holidays) prior to the time of the Meeting or an adjournment or postponement thereof. Registered Shareholders may also use the internet site at <https://login.odysseytrust.com/pxlogin> to transmit their voting instructions using the 12 digit control number located at the bottom of their proxy. A proxy must be executed by the Shareholder or his or her attorney authorized in writing, or if the Shareholder is a company, under its seal by an officer or attorney thereof duly authorized.**

The persons designated in the instrument of proxy are officers and/or directors of the Corporation. **A Shareholder has the right to appoint a person (who need not be a Shareholder) other than the management designees to attend at and represent the Shareholder at the Meeting.** To exercise this right, a Shareholder should insert the name of the designated representative in the blank space provided on the instrument of proxy. Alternatively, a Shareholder may complete another appropriate instrument of proxy.

Signing of Proxy

The instrument of proxy must be signed by the Shareholder or the Shareholder's duly appointed attorney authorized in writing or, if the Shareholder is a corporation, under its corporate seal or by a duly authorized officer or attorney of the corporation. An instrument of proxy signed by a person acting as attorney or in some other representative capacity (including a representative of a corporate Shareholder) should indicate that person's capacity (following his or her signature) and should be accompanied by the appropriate

instrument evidencing qualification and authority to act (unless such instrument has previously been filed with the Corporation).

Revocability of Proxies

A Shareholder who has submitted an instrument of proxy may revoke it at any time prior to the exercise thereof. In addition to any manner permitted by law, a proxy may be revoked by an instrument in writing executed by the Shareholder or by his or her duly authorized attorney or, if the Shareholder is a corporation, under its corporate seal or executed by a duly authorized officer or attorney of the corporation and deposited either: (i) at the registered office of the Corporation at any time up to and including the last business day preceding the day of the Meeting or an adjournment thereof; or (ii) with the Chairman of the Meeting on the day of the Meeting or an adjournment thereof. In addition, an instrument of proxy may be revoked: (i) by the Shareholder personally attending the Meeting and voting the securities represented thereby or, if the Shareholder is a corporation, by a duly authorized representative of the corporation attending at the Meeting and voting such securities; or (ii) in any other manner permitted by law.

Voting of Proxies and Exercise of Discretion by Proxyholders

All Common Shares represented at the Meeting by properly executed proxies will be voted on any ballot that may be called for and, where a choice with respect to any matter to be acted upon has been specified in the instrument of proxy, the Common Shares represented by the instrument of proxy will be voted in accordance with such instructions. The management designees named in the accompanying instrument of proxy will vote or withhold from voting the Common Shares in respect of which they are appointed in accordance with the direction of the Shareholder appointing them on any ballot that may be called for at the Meeting. **In the absence of such direction, such Common Shares will be voted FOR the proposed resolutions at the Meeting. The accompanying instrument of proxy confers discretionary authority upon the persons named therein with respect to amendments of or variations to the matters identified in the accompanying Notice and with respect to other matters that may properly be brought before the Meeting.** In the event that amendments or variations to matters identified in the Notice are properly brought before the Meeting or any further or other business is properly brought before the Meeting, it is the intention of the management designees to vote in accordance with their best judgment on such matters or business. At the time of printing this Management Information Circular, the management of the Corporation knows of no such amendment, variation or other matter to come before the Meeting other than the matters referred to in the accompanying Notice.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED ON

Except as disclosed in this Management Information Circular, none of the directors or executive officers of the Corporation at any time since the beginning of the Corporation's last financial year, nor any proposed nominee for election as a director of the Corporation, nor any associate or affiliate of any of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise in any matter to be acted on, other than the election of directors or the appointment of the auditor.

QUORUM

The by-laws of the Corporation provide that a quorum of Shareholders is present at a meeting of Shareholders if at least two (2) persons are present who hold or represent by proxy not less than five percent (5%) of the shares entitled to vote at the meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

Voting Shares and Record Date

The authorized share capital of the Corporation consists of an unlimited number of Common Shares and an unlimited number of preferred shares. The record date for the determination of Shareholders entitled to receive notice of and to vote at the Meeting is May 9, 2024 (the “**Record Date**”). Shareholders are entitled to one vote per Common Share held. As at the Record Date, there were 124,696,778 Common Shares issued and outstanding. There are no other shares of any class issued and outstanding.

Voting of Common Shares – General

Only Shareholders whose names are entered in the Corporation’s register of Shareholders at the close of business on the Record Date will be entitled to receive notice of and to vote at the Meeting; provided that, to the extent that: (i) a registered Shareholder has transferred the ownership of any Common Shares subsequent to the Record Date; and (ii) the transferee of those Common Shares produces properly endorsed share certificates, or otherwise establishes that he or she owns the Common Shares and demands, not later than ten days before the Meeting, that his or her name be included on the Shareholder list before the Meeting, the transferee shall be entitled to vote his or her Common Shares at the Meeting.

Voting of Common Shares – Advice to Beneficial Shareholders

Only registered holders of Common Shares, or the persons they appoint as their proxies, are permitted to attend and vote at the Meeting. However, in many cases, Common Shares beneficially owned by a holder (a “**Beneficial Shareholder**”) are registered either:

- (a) in the name of an intermediary (an “**Intermediary**”) that the Beneficial Shareholder deals with in respect of the Common Shares. Intermediaries include banks, trust companies, securities dealers or brokers, and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans; or
- (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited).

In accordance with the requirements of National Instrument 54-101 – *Communication with Beneficial Owners of a Reporting Issuer* of the Canadian Securities Administrators, the Corporation has distributed copies of the Notice, this Management Information Circular and the instrument of proxy (collectively, the “**Meeting Materials**”) to the clearing agencies and Intermediaries for onward distribution to Beneficial Shareholders.

Intermediaries are required to forward the Meeting Materials to Beneficial Shareholders unless a Beneficial Shareholder has waived the right to receive them. Typically, Intermediaries will use a service company (such as Broadridge Financial Solutions Inc. (“**Broadridge**”)) to forward the Meeting Materials to Beneficial Shareholders.

Generally, Beneficial Shareholders who have not waived the right to receive the Meeting Materials will:

- (a) have received as part of the Meeting Materials a voting instruction form which must be completed, signed and delivered by the Beneficial Shareholder in accordance with the directions on the voting instruction form (voting instruction forms sent by Broadridge permit

the completion of the voting instruction form by telephone or through the Internet at www.proxyvotecanada.com); or

- (b) less typically, be given a proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of Common Shares beneficially owned by the Beneficial Shareholder but which is otherwise uncompleted. This form of proxy need not be signed by the Beneficial Shareholder. In this case, the Beneficial Shareholder who wishes to submit a proxy should otherwise properly complete the form of proxy and deposit it with Odyssey Trust Company at the address referred to above.

The purpose of these procedures is to permit Beneficial Shareholders to direct the voting of the Common Shares they beneficially own. Should a Beneficial Shareholder wish to attend and vote at the Meeting in person (or have another person attend and vote on behalf of the Beneficial Shareholder), the Beneficial Shareholder should strike out the names of the persons named in the proxy and insert the Beneficial Shareholder's (or such other person's) name in the blank space provided or, in the case of a voting instruction form, follow the corresponding instructions on the form. **In either case, Beneficial Shareholders should carefully follow the instructions of their Intermediaries and their service companies. If you have any questions respecting the voting of Common Shares held through a broker or other intermediary, please contact that broker or other intermediary for assistance.**

Only registered Shareholders have the right to revoke a proxy. Beneficial Shareholders who wish to change their vote must, in sufficient time in advance of the Meeting, arrange for their respective Intermediaries to change their vote and if necessary revoke their proxy in accordance with the revocation procedures set forth above.

Principal Holders of Common Shares

To the knowledge of the directors and executive officers of the Corporation, as at the date hereof, there are no persons who beneficially own, directly or indirectly, or exercise control or direction over 10% or more of the votes attached to the Common Shares.

Stock Option Plans and Other Incentive Plans

The Corporation has two incentive plans: a stock option plan (the **"Option Plan"**) and a restricted share unit and deferred share unit compensation plan (the **"RSU/DSU Plan"**). The following is a summary of the material terms of the Option Plan and the RSU/DSU Plan.

Option Plan

The Option Plan is a "rolling" 10% security-based compensation plan that permits the granting of stock options to purchase Common Shares (**"Options"**) to directors, officers, employees and consultants of the Corporation (each, a **"Participant"**). The Corporation is seeking Shareholder approval of the Option Plan. The Option Plan was previously approved by the Shareholders on October 21, 2022. A copy of the Option Plan is attached as Schedule "A" to this Management Information Circular.

Granting of Options

Pursuant to the Option Plan, the Board (or a committee thereof) may grant Options as incentive payments to Participants (each, an “**Optionee**”). The Option Plan limits the total number of Common Shares that may be issued on exercise of Options outstanding at any time under the Option Plan to 10% of the number of Common Shares issued and outstanding (less the number of Common Shares reserved for issuance under any other share compensation arrangement of the Corporation), subject to the following additional limitations:

- (a) the aggregate number of Options granted to any one person (and companies wholly owned by that person) in any 12-month period must not exceed 5% of the issued Common Shares, calculated on the date an Option is granted to the person (unless the Corporation has obtained the requisite disinterested Shareholder approval), less the aggregate number of Common Shares reserved for issuance to such person under any other share compensation arrangement of the Corporation;
- (b) the aggregate number of Common Shares reserved for issuance under Options granted to Insiders of the Corporation (as defined in the policies of the TSX Venture Exchange (the “**TSXV**”)) (as a group) at any point in time must not exceed 10% of the issued Common Shares, less the aggregate number of Common Shares reserved for issuance to Insiders under any other share compensation arrangement of the Corporation (unless the Corporation has obtained the requisite disinterested shareholder approval);
- (c) the grant to Insiders (as a group), in any 12-month period, of an aggregate number of Options must not exceed 10% of the issued Common Shares, calculated at the date an Option is granted to any Insider, less the aggregate number of Common Shares reserved for issuance to Insiders under any other share compensation arrangement of the Corporation (unless the Corporation has obtained the requisite disinterested shareholder approval);
- (d) the aggregate number of Options granted to any one consultant of the Corporation in any 12-month period must not exceed 2% of the issued Common Shares, calculated at the date an Option is granted to the consultant, less the aggregate number of Common Shares reserved for issuance to such consultant under any other share compensation arrangement of the Corporation; and
- (e) the aggregate number of Options granted to all persons retained to provide Investor Relations Activities (as defined in the policies of the TSXV) must not exceed 2% of the issued Common Shares in any 12-month period, calculated at the date an Option is granted to any such person. Options issued to persons retained to provide Investor Relations Activities must vest in stages over a period of not less than 12 months with no more than 1/4 of the Options vesting in any three-month period.

Exercise Period

Each Option and all rights thereunder will expire on the date set out in the applicable option agreement and will be subject to the earlier termination provisions of the Option Plan, provided that in no circumstances will the duration of an Option exceed the maximum term prescribed by the TSXV of 10 years. Under the Option Plan, in the event of the death of a Participant, the Options previously granted to such Participant

will be exercisable only within one year after such death and then only to the extent that such deceased Participant was entitled to exercise his Option at the date of his death.

Exercise Price

Pursuant to the Option Plan, the exercise price shall be fixed by the Board at the time that the Option is granted; however, no Option shall be granted with an exercise price at a discount to the market price. The market price shall be the closing price of the Common Shares on the TSXV on the first day preceding the date of grant.

Vesting

The Option Plan provides that the Board may, in its sole discretion, determine the time during which Options shall vest and the method of vesting, subject to any vesting restrictions imposed by the TSXV.

Black-Out Provision

The Option Plan includes a black-out provision. Pursuant to the policies of the Corporation respecting restrictions on trading, there are a number of periods each year during which directors, officers and certain employees are precluded from trading in the Corporation's securities. These periods are referred to as "black-out periods". A black-out period is designed to prevent a person from trading while in possession of material information that is not yet available to other Shareholders. The TSXV recognizes these black-out periods might result in an unintended penalty to employees who are prohibited from exercising their Options during that period because of their Corporation's internal trading policies. As a result, the TSXV provides a framework for extending Options that would otherwise expire during a black-out period. The Option Plan includes a provision that should an Option expiration date fall within a black-out period or immediately following a black-out period, the expiration date will automatically be extended without any further act or formality to that date which is the 10th business day after the end of the black-out period, and the 10 business day period may not be further extended by the Board.

Amendment and Termination of Option Plan

Based on the policies of the TSXV, the Option Plan specifies the types of amendments to the Option Plan and the Options granted thereunder that can be made by the Board without the approval of the Shareholders. The Option Plan allows the Board to terminate or discontinue the Option Plan at any time without the consent of the Option holders, provided that such termination or discontinuance shall not alter or impair any Option previously granted under the Option Plan. The only amendments to the Option Plan that would be subject to Shareholder approval are amendments that would:

- (a) reduce the exercise price of an outstanding Option, including a cancellation of an Option and re-grant of an Option in conjunction therewith, constituting a reduction of the exercise price of the Option;
- (b) extend the expiry date of an Option held by an Insider of the Corporation (subject to such date being extended by virtue of the black-out provision noted above);
- (c) amend the limitations on the maximum number of Common Shares reserved or issued to Insiders;

- (d) make any amendments to the Option Plan that would permit an Option holder to transfer or assign Options to a new beneficial owner other than for estate settlement purposes;
- (e) increase the maximum number of Common Shares issuable pursuant to the Option Plan; or
- (f) amend the amendment provisions of the Option Plan.

Transferability

Pursuant to the Option Plan, all benefits, rights and options accruing to any Participant are not transferable or assignable unless in the event of the death of a Participant.

Net Exercise and Cashless Exercise

The Option Plan includes net exercise and cashless exercise provisions. Pursuant to the net exercise and cashless exercise provisions, to the extent permitted by and otherwise subject to the rules and policies of the TSXV, an Optionee may, in lieu of exercising an Option pursuant to an exercise notice, pay the exercise price for an Option through a cashless exercise process or net exercise process, at the sole discretion of the Board.

An Optionee may, conditional upon approval of the Board, exercise Options in whole or in part by electing, in lieu of making a cash payment of the applicable exercise price, to pay the exercise price pursuant to a cashless exercise whereby the Corporation has an arrangement with a specified brokerage firm and permits such brokerage firm to: (i) loan money to the Optionee to purchase the Common Shares underlying the Options; (ii) sell a sufficient number of Common Shares to cover the aggregate exercise price of the Options in order to repay the loan; and (iii) receive an equivalent number of Common Shares from the exercise of the Options, with the Optionee receiving the balance of the Common Shares.

An Optionee may, conditional upon approval of the Board, in lieu of exercising an Option pursuant to a written notice of exercise, elect to surrender such Option to the Corporation (a “**Net Exercise**”) in consideration for an amount from the Corporation equal to: (i) the market price of the Common Shares issuable on the exercise of such Option (or portion thereof) as of the date such Option (or portion thereof) is exercised, less (ii) the aggregate Exercise Price of the Option (or portion thereof) surrendered relating to such Shares (the “**In-the-Money Amount**”) by written notice to the Corporation indicating the number of Options such Participant wishes to exercise using the Net Exercise, and such other information that the Corporation may require. Subject to the provisions of the Option Plan, the Corporation will satisfy payment of the In-the-Money Amount by delivering to the Participant such number of Shares (rounded down to the nearest whole number) having an aggregate fair market value (based on the market price on the date of exercise) equal to the In-the-Money Amount. Any Options surrendered in connection with a Net Exercise will not be added back to the number of Common Shares reserved for issuance under the Option Plan.

RSU/DSU Plan

The RSU/DSU Plan is a “fixed” 10% security-based compensation plan that permits the granting of restricted share units (“**RSUs**”) and deferred share units (“**DSUs**”). The RSU/DSU Plan was approved by the Shareholders on October 21, 2022.

The following is a summary of the material terms of the RSU/DSU Plan. It is not a comprehensive discussion of all of the terms and conditions of the RSU/DSU Plan and is qualified in its entirety by reference to the full

text of the RSU/DSU Plan, which is available under the Corporation's SEDAR+ profile at www.sedarplus.ca as Schedule "B" to the Management Information Circular dated September 16, 2022 and filed on SEDAR on September 29, 2022. Readers are advised to review the full text of the RSU/DSU Plan to fully understand all terms and conditions of the RSU/DSU Plan.

Purpose

The RSU/DSU Plan is intended to provide the Corporation with flexibility in designing various equity-based incentives to be awarded to the directors, employees, consultants and other persons or companies engaged to provide ongoing services to the Corporation and its affiliates, other than persons involved in investor relations activities relating to the Corporation, (each, an "**Eligible Person**") to recognize and reward their significant contributions to the long-term success of the Corporation and to align their interests more closely with the Shareholders, as well as to bring the Corporation's compensation policies in line with trends in industry practice. Pursuant to the RSU/DSU Plan, the Board (or a committee thereof) may grant RSUs and DSUs as incentive payments to Eligible Persons (each, a "**Grantee**"). The Board intends to use the awards of RSUs and DSUs ("**Awards**") as part of the Corporation's overall compensation plan and as an equity-based compensation mechanism that can minimize Shareholder dilution.

Administration

Under the RSU/DSU Plan, the Board may, at any time, appoint a committee to, among other things, interpret, administer and implement the RSU/DSU Plan on behalf of the Board in accordance with such terms and conditions as the Board may prescribe, consistent with the RSU/DSU Plan.

Eligibility to Participate

The Board (or a committee thereof) has the authority to designate the persons who are eligible to participate in the RSU/DSU Plan and to grant one or more Awards to Eligible Persons.

Granting of Awards

Subject to the adjustment provisions provided for in the RSU/DSU Plan and applicable rules and regulations of all regulatory authorities to which the Corporation is subject (including the TSXV), the maximum aggregate number of Common Shares that may be reserved for issuance in connection with the Awards granted under the RSU/DSU Plan is 12,008,700, which represents 10% of the number of issued and outstanding Common Shares as at the date of approval of the RSU/DSU Plan by the Board.

If any Award is cancelled in accordance with the terms of the RSU/DSU Plan or the agreements evidencing the grant, the Common Shares reserved for issue pursuant to such Award will, upon cancellation of such Awards, revert to the RSU/DSU Plan and will be available for other Awards. Any Award that is settled through the issuance of Common Shares from treasury shall not be considered cancelled, and that number of Shares issued shall not be available for other Awards.

The issue of Awards to Grantees is subject to, among other things, the following restrictions:

- (a) the number of Common Shares which may be reserved for issue pursuant to the RSU/DSU Plan together with the Common Shares which may be reserved for issue pursuant to any other employee-related plan of the Corporation or options for services granted by the Corporation, including the Option Plan, to any one Eligible Person in any 12-month period may not exceed in the aggregate 5% of the number of Common Shares issued and outstanding on a non-diluted basis

on the date of the grant of the Award unless the Corporation has received disinterested Shareholder approval;

- (b) the number of Common Shares which may be reserved for issue pursuant to the RSU/DSU Plan together with the Common Shares which may be reserved for issue pursuant to any other employee-related plan of the Corporation or options for services granted by the Corporation, including the Option Plan, to all insiders of the Corporation (as defined by applicable Canadian securities laws) shall not exceed 10% of the number of Common Shares issued and outstanding on a non-diluted basis at any point in time unless the Corporation has received disinterested Shareholder approval;
- (c) the number of Common Shares which may be reserved for issue pursuant to the RSU/DSU Plan together with the Common Shares which may be reserved for issue pursuant to any other employee-related plan of the Corporation or options for services granted by the Corporation, including the Option Plan, to all insiders of the Corporation (as defined by applicable Canadian securities laws) in any 12-month period may not exceed in the aggregate 10% of the number of Common Shares issued and outstanding on a non-diluted basis on the date of the grant of the Award unless the Corporation has received disinterested Shareholder approval; and
- (d) the number of Common Shares which may be reserved for issue pursuant to the RSU/DSU Plan together with the Common Shares which may be reserved for issue pursuant to any other employee-related plan of the Corporation, including the Option Plan, to any one consultant in any 12-month period may not exceed 2% of the number of Common Shares issued and outstanding on a non-diluted basis on the date of the grant of the Award.

Vesting of RSUs

The Board may determine the vesting schedule of any RSUs at the time of grant. Notwithstanding such determination and provided that no RSUs may vest within one year of the date of grant except in the event of the death of the Grantee or if the Grantee ceases to be an Eligible Person in connection with a Change of Control (as such term is defined in the RSU/DSU Plan), takeover bid, reverse takeover or similar transaction, in the event that the Grantee ceases to be an Eligible Person in connection with a Change of Control (as such term is defined in the RSU/DSU Plan), upon the death of the Grantee, in the case of eligible retirement of the Grantee, in the case of total Disability of the Grantee or in the case of termination without cause of the Grantee by the Corporation (each, an “**Accelerated Vesting Event**”), the Grantee’s non-vested RSUs will (i) in the case of a Change of Control (as such term is defined in the RSU/DSU Plan), eligible retirement or death being the Accelerated Vesting Event, immediately become 100% vested, or (ii) in the case of total disability being the Accelerated Vesting Event, vest within 60 days following the date on which the Grantee is determined to be totally disabled.

If the Grantee’s employment with the Corporation is terminated for any reason whatsoever other than death, total disability, eligible retirement or termination without cause by the Corporation, subject to the provisions of the RSU/DSU Plan governing a Change of Control (as such term is defined in the RSU/DSU Plan), any non-vested RSUs granted thereunder will be immediately cancelled without liability or compensation therefor and be of no further force and effect. For clarity, where the Grantee voluntarily terminates his/her employment with the Corporation or is otherwise terminated by the Corporation for cause, all non-vested RSUs of the Grantee shall be immediately cancelled without compensation or liability therefor and be of no further force and effect.

The term of RSUs shall be determined by the Board on the date of the award of RSUs, provided that the term shall not exceed ten years from the date the RSUs are awarded. Each RSU outstanding and all rights thereunder shall expire at the expiry time determined by the Board, subject to earlier termination in accordance with the RSU/DSU Plan.

Vesting of DSUs

The Board may determine the vesting schedule of any DSUs at the time of grant. Notwithstanding such determination, no DSUs may vest within one year of the date of grant except in the event of the death of the Grantee or if the Grantee ceases to be an Eligible Person in connection with a Change of Control (as such term is defined in the RSU/DSU Plan), takeover bid, reverse takeover or similar transaction.

If the Grantee's employment with the Corporation is terminated for any reason whatsoever other than death, total disability, eligible retirement or termination without cause by the Corporation, subject to the provisions of the RSU/DSU Plan governing a Change of Control (as such term is defined in the RSU/DSU Plan), any non-vested DSUs granted thereunder will be immediately cancelled without liability or compensation therefor and be of no further force and effect. For clarity, where the Grantee voluntarily terminates his/her employment with the Corporation or is otherwise terminated by the Corporation for cause, all non-vested DSUs of the Grantee shall be immediately cancelled without compensation or liability therefor and be of no further force and effect.

Subject to the above, in the event of a Change of Control (as such term is defined in the RSU/DSU Plan), all non-vested DSUs of the Grantee will immediately become 100% vested.

Settlement of RSUs and DSUs

Payment to the Grantee to settle vested RSUs and DSUs will be made in respect of the number of vested RSUs and DSUs recorded in the Grantee's notional account (rounded down to the nearest whole number) in the form of (i) fully paid and non-assessable Common Shares issued from treasury, (ii) Common Shares purchased in the open market, (iii) a cash equivalent, or (iv) a combination of (i), (ii) and (iii). The decision as to the mode of payment shall be made by the Board in its sole discretion.

Vested RSUs will be settled as soon as reasonably practicable following the vesting thereof and in any event within 30 days thereof, but in no event later than December 31 of the third calendar year following the year in which the services giving rise to the Award were rendered. Vested DSUs will be settled as soon as reasonably practicable following the eligible retirement of a Grantee, the death of a Grantee or the time the Grantee otherwise ceases to hold office, and in any event within 30 days thereof. Notwithstanding any other provision of the RSU/DSU Plan, all amounts payable to, or in respect of a Grantee in respect of DSUs including, without limitation, the delivery of Common Shares, shall not be made prior to the date the Grantee ceases to be an Eligible Person and shall be paid or delivered on or before December 31 of the calendar year commencing immediately following the date the Grantee ceases to be an Eligible Person.

The settlement of Awards will be subject to payment or other satisfaction of all related withholding obligations in accordance with the provisions of the RSU/DSU Plan.

Transferability

Awards granted under the RSU/DSU Plan are non-transferable and non-assignable except upon the death of a Grantee.

Amendment and Termination of RSU/DSU Plan

The RSU/DSU Plan allows the Board to suspend or terminate the RSU/DSU Plan at any time. Subject to the terms of the RSU/DSU Plan and any applicable requirements of the TSXV, the Board has the right at any time to amend the RSU/DSU Plan, provided that the requisite Shareholder approval has been obtained by ordinary resolution. Notwithstanding the foregoing, Shareholder approval is not required for the amendments set out below:

- (a) amendments of a technical, clerical or “housekeeping” nature including, without limiting the generality of the foregoing, any amendments for the purpose of curing any ambiguity, error or omission in the RSU/DSU Plan or to correct or supplement any provision of the RSU/DSU Plan that is inconsistent with any other provision of the RSU/DSU Plan;
- (b) amendments necessary to comply with the provisions of applicable law and the applicable rules of the TSXV;
- (c) amendments necessary in order for the Awards to qualify for favourable treatment under the *Income Tax Act* (Canada) or under the United States Internal Revenue Code;
- (d) amendments respecting administration of the RSU/DSU Plan; and
- (e) any other amendment, whether fundamental or otherwise, not requiring Shareholder approval under applicable law or the rules of the TSXV.

Adjustments

Appropriate adjustments to the RSU/DSU Plan and to Awards granted thereunder will be made by the Corporation to give effect to adjustments in the number and type of Common Shares (or other securities or other property) resulting from subdivisions, consolidations, substitutions, or reclassifications of Common Shares, payment of stock dividends or other prescribed changes in the Corporation’s capital. Any such adjustment other than a Common Share consolidation or Common Share split shall be subject to approval of the TSXV. In the event of any merger, acquisition, amalgamation, arrangement or other scheme of reorganization that results in a Change of Control (as such term is defined in the RSU/DSU Plan), the Board may take whatever action with respect to the Awards outstanding that it deems necessary or desirable including accelerating the vesting date of Awards to the date which is immediately preceding the change of control. If approved by the Board prior to or within 30 days after such time as a Change of Control (as such term is defined in the RSU/DSU Plan) is deemed to have occurred, the Board has the right to require that all or any portion of the Awards be settled and discharged in cash based on the “cash value” of such Awards in lieu of settlement by issue of Common Shares.

Employment, Consulting and Management Agreements

Effective January 2024, the annual salary for Mr. Ostos under the executive employment agreement was increased to US\$375,000.

Pursuant to the Employment Agreements, each of the NEOs is also eligible to participate in the Corporation's bonus program, benefit plan and long-term incentive plan or plans, each as may be amended from time to time.

Each of the Employment Agreements continues for an indefinite term, until terminated either:

A, B, C and D collectively, the "**Termination Payments**"; or

(b) by the Corporation:

- (i) for just cause at any time, without notice and without any payment to the Executive whatsoever; or
- (ii) without just cause at any time by providing written notice of the Termination Date to the Executive, and in such event the Corporation shall pay the Executive the Termination Payments within 10 business days of the Termination Date.

Oversight and Description of NEO Compensation

The Board has not created or appointed a compensation committee given the Corporation's current size and stage of development. All tasks related to developing and monitoring the Corporation's approach to the compensation of the Corporation's NEOs and directors are performed by the members of the Board. The compensation of the NEOs, directors and the Corporation's employees or consultants, if any, is reviewed, recommended and approved by the Board without reference to any specific formula, criteria or peer group. NEOs that are also directors of the Corporation are involved in discussions relating to compensation, but disclose their interest in, and abstain from voting on, decisions related to their own respective compensation.

The overall objective of the Corporation's compensation strategy is to offer short, medium and long-term compensation components to ensure that the Corporation has in place programs to attract, retain and develop management of the highest calibre and has in place a process to provide for the orderly succession of management, including receipt on an annual basis of any recommendations of the CEO, if any, in this regard. The Corporation currently has a short-term compensation component in place, which includes the payment of management fees to certain NEOs, and a long-term compensation component in place, which includes the grant of Options under the Option Plan. The Corporation intends to further develop these compensation components. The Board may in the future consider, on an annual basis, an award of bonuses to key executives and senior management. The amount and award of such bonuses is expected to be discretionary, depending on, among other factors, the financial performance of the Corporation and the performance of the executive officer. The Board considers that the payment of such discretionary annual cash bonuses may satisfy the medium-term compensation component.

The objectives of the Corporation's compensation policies and procedures are to align the interests of the Corporation's employees with the interests of the Shareholders. Therefore, a significant portion of total compensation granted by the Corporation, being the grant of Options, is based upon overall corporate performance. The Corporation relies on Board discussion, without formal objectives, criteria and analysis, when determining executive compensation. There are currently no formal performance goals or similar conditions that must be satisfied in connection with the payment of executive compensation.

Pension Plan Benefits

The Corporation does not have any defined benefit or defined contribution pension plans in place which provide for payments or benefits at, following, or in connection with retirement.

As at the Effective Date, the Corporation had 12,008,700 Common Shares available for issuance under the RSU/DSU Plan.

INDEBTEDNESS OF DIRECTORS, EXECUTIVE OFFICERS AND SENIOR OFFICERS

No director, executive officer, employee or former director, executive officer or employee of the Corporation or its subsidiaries nor any of their associates or affiliates, is, or has been at any time since the beginning of the last completed financial year, indebted to the Corporation or its subsidiaries nor has any such person been indebted to any other entity where such indebtedness is the subject of a guarantee, support agreement, letter of credit or similar arrangement or understanding, provided by the Corporation except as disclosed in the audited financial statements.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

Other than as set forth herein or as previously disclosed, the Corporation is not aware of any material interests, direct or indirect, by way of beneficial ownership or otherwise, of any director or executive officer, proposed nominee for election as a director or any Shareholder holding more than 10% of the voting rights attached to the Common Shares or any associate or affiliate of any of the foregoing in any transaction in the preceding financial year or any proposed or ongoing transaction of the Corporation which has or will materially affect the Corporation.

MANAGEMENT CONTRACTS

There are no management functions of the Corporation that are to any substantial degree performed by a person or company other than the directors or executive officers (or private companies controlled by them, either directly or indirectly) of the Corporation.

Audit Committee Oversight

At no time since the commencement of the Corporation's most recently completed financial year was a recommendation of the Audit Committee to nominate or compensate an external auditor not adopted by the Board.

Reliance on Certain Exemptions

Other than as disclosed below, at no time since the commencement of the Corporation's most recently completed financial year has the Corporation relied on the exemption in section 2.4 of NI 52-110, the exemptions in subsections 6.1.1(4) to (6) of NI 52-110, or an exemption from NI 52-110, in whole or in part, granted under Part 8 of NI 52-110.

On December 1, 2023, Mr. Mauco resigned from the board of directors and the audit committee. Following the resignation of Mr. Mauco, the audit committee consisted of only two members and therefore the Corporation appointed Mr. Arata to the audit committee, the result of which is that a majority of the members of the Audit Committee, being Mr. Felesky and Mr. Arata, are executive officers of the Corporation. The Corporation is relying on the exemption in subsection 6.1.1(6) of NI 52-110 in respect of the composition of the audit committee.

The Audit Committee will pre-approve all non-audit services to be provided by the Corporation by the external auditor unless otherwise provided for in NI 52-110 as described in the Audit Committee charter, referenced above under the heading "*Audit Committee Charter*".

CORPORATE GOVERNANCE

Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the Shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day to day management of the Corporation. The Board is committed to sound corporate governance practices, which are both in the interest of its Shareholders and contribute to effective and efficient decision making.

Pursuant to National Instrument 58-101 – *Disclosure of Corporate Governance Practices*, the Corporation is required to disclose its corporate governance practices as summarized below.

Board of Directors

At the meeting, Shareholders will be asked to fix the number of directors to be elected at the Meeting at four (4). The Board is currently comprised of the following four members: Jose Francisco Arata, Wade Felesky, Marino Ostos, and Greg Bay. All of the directors are being nominated for re-election at the Meeting.

Greg Bay is an independent director of the Corporation. Mr. Bay has no ongoing interest or relationship with the Corporation other than his security holdings in the Corporation and serving as a director.

Each of Jose Francisco Arata, the CEO of the Corporation, Wade Felesky, the President of the Corporation, and Marino Ostos, the Chief Geoscience Officer of the Corporation are members of management and, as a result, are not independent directors.

The Board is responsible for determining whether a director is an independent director. An “independent” director is a director who has no direct or indirect material relationship with the Corporation. A material relationship is a relationship which could, in the view of the Board, reasonably interfere with the exercise of a director’s independent judgment.

Directorships

Other than disclosed below, no current or proposed director of the Corporation is presently a director of any other issuer that is a reporting issuer (or the equivalent) in a jurisdiction or a foreign jurisdiction.

Mr. Arata joined the board of TSXV-listed company Western Atlas Resources Ltd. on August 12, 2017 and joined the board of TSXV-listed company Unigold Inc. on May 26, 2022. Mr. Arata continues to serve on each board as an independent director.

Mr. Felesky joined the board of TSXV-listed company Zedcor Inc. on June 1, 2021 and continues to serve on its board as the chairman of the board and an independent director.

Mr. Bay joined the board of TSX-listed company Gear Energy Ltd. on August 7, 2019 and continues to serve on its board as an independent director.

Orientation and Continuing Education

At present, each new director is given an outline of the nature of the Corporation’s business, its corporate strategy, and current opportunities and prospects of the Corporation along with a description of the committees constituted by the Board. New directors are also expected to be required to meet with management of the Corporation to discuss and better understand the Corporation’s business and will be advised by counsel to the Corporation of their legal obligations as directors of the Corporation. New directors are also given copies of the Corporation’s policies.

The introduction and education process will be reviewed on an annual basis by the Board and will be revised as necessary.

Ethical Business Conduct

The Corporation requires the highest standards of professional and ethical conduct from its directors, officers and employees and believes that its reputation for honesty and integrity among its stakeholders is key to the success of its business. In that regard, to create a culture of honesty, integrity and accountability, discussion, on an informal basis, is had amongst the Board, management and employees respecting such matters as the retention of confidential information, the obligation to declare conflicts of interests and the necessity to comply with applicable laws, regulations and rules.

The Board has found that the fiduciary duties placed on individual directors by the Corporation’s governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director’s participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Corporation. The Board has also found that the in camera sessions of the independent directors held in conjunction with Board meetings also help to ensure that directors exercise independent judgment in considering transactions and agreements.

Under corporate legislation, a director is required to act honestly and in good faith with a view to the best interests of the Corporation and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances. In addition, as some of the directors of the Corporation also serve as directors and officers of other companies engaged in similar business activities, directors must comply with the conflict of interest provisions of the *Business Corporations Act* (Alberta) (the “**ABCA**”), as well as the relevant securities regulatory instruments, in order to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or officer has a material interest. Any interested director would be required to declare the nature and extent of his interest and would not be entitled to vote at meetings of directors which evoke such a conflict.

Nomination of Directors

The Board presently seeks and determines new nominees to the Board, although no formal process has been adopted. The nominees are generally the result of recruitment efforts by the Board members, including both formal and informal discussions among the Board members and officers.

Compensation

The Board has not appointed a compensation committee as the Board determines compensation matters as a whole.

Other Board Committees

The Corporation has no other standing committees at this time other than the Audit Committee. Refer to the disclosure under the heading “*Audit Committee*” for information relating to the Audit Committee, including its mandate and composition and fees paid to the Corporation’s auditor.

Assessments

The Board has not implemented a process for assessing its effectiveness but is considering doing so. As a result of the Corporation’s size, its stage of development and the limited number of individuals on the Board, the Board has considered a formal assessment process to be inappropriate at this time.

PARTICULARS OF MATTERS TO BE ACTED UPON

To the knowledge of the Board, the only matters to be brought before the Meeting are those matters set forth in the accompanying Notice of Meeting.

1. Report and Financial Statements

The audited financial statements of the Corporation for the financial year ended December 31, 2023 and the report of the auditor thereon (the “**Financial Statements**”) will be placed before the Meeting. The Board has approved all of the information in the Financial Statements, copies of which are delivered herewith. The approval of the Shareholders is not required in relation to the Financial Statements.

2. Fix Number of Directors to be Elected at the Meeting

The Shareholders will be asked to consider and, if thought appropriate, to approve and adopt an ordinary resolution fixing the number of directors to be elected at the Meeting. In order to be effective, an ordinary

resolution requires the approval of a majority of the votes cast by the Shareholders who vote in respect of the resolution.

At the Meeting, it will be proposed that four (4) directors be elected to hold office until the next annual general meeting or until their successors are elected or appointed. **Unless otherwise directed, it is the intention of the management designees, if named as proxy, to vote in favour of the ordinary resolution fixing the number of directors to be elected at the Meeting at four (4).**

3. Election of Directors

The following table sets forth the name of each of the persons proposed to be nominated for election as a director, all positions and offices in the Corporation presently held by such nominee, the nominee's municipality of residence, principal occupation at the present and during the preceding five (5) years, the period during which the nominee has served as a director, and the number and percentage of Common Shares that the nominee has advised are beneficially owned by the nominee, directly or indirectly, or over which control or direction is exercised, as of the Effective Date.

SCHEDULE "A"

OPTION PLAN

(See attached)

**NEW STRATUS ENERGY INC.
STOCK OPTION PLAN**

1. PURPOSE

The purpose of this stock option plan (the “**Plan**”) of New Stratus Energy Inc. (the “**Corporation**”), a corporation incorporated under the *Business Corporations Act* (Alberta), is to advance the interests of the Corporation by encouraging the directors, officers, employees and consultants of the Corporation, and of its subsidiaries and affiliates, if any, to acquire common shares in the capital of the Corporation (the “**Shares**”), thereby increasing their proprietary interest in the Corporation, encouraging them to remain associated with the Corporation and furnishing them with additional incentive in their efforts on behalf of the Corporation in the conduct of its affairs.

2. ADMINISTRATION

The Plan shall be administered by the Board of Directors of the Corporation or by a special committee of the directors appointed from time to time by the Board of Directors of the Corporation pursuant to rules of procedure fixed by the Board of Directors (such committee or, if no such committee is appointed, the Board of Directors of the Corporation, is hereinafter referred to as the “**Board**”). A majority of the Board shall constitute a quorum, and the acts of a majority of the directors present at any meeting at which a quorum is present, or acts unanimously approved in writing, shall be the acts of the Board.

Subject to the provisions of the Plan, the Board shall have authority to construe and interpret the Plan and all option agreements entered into hereunder, to define the terms used in the Plan and in all option agreements entered into hereunder, to prescribe, amend and rescind rules and regulations relating to the Plan and to make all other determinations necessary or advisable for the administration of the Plan. All determinations and interpretations made by the Board shall be binding and conclusive on all participants in the Plan and on their legal personal representatives and beneficiaries.

Each option (“**Option**”) to purchase a Share granted hereunder may be evidenced by an agreement in writing, signed on behalf of the Corporation and by the optionee, in such form as the Board shall approve. Each such agreement shall recite that it is subject to the provisions of this Plan.

Each Option granted by the Corporation prior to the date of the approval of the Plan by the shareholders of the Corporation, including Options granted under previously approved stock option plans of the Corporation, be and are continued under and shall be subject to the terms of the Plan after the Plan has been approved by the shareholders of the Corporation.

3. STOCK EXCHANGE RULES

All Options granted pursuant to this Plan shall be subject to rules and policies of any stock exchange or exchanges on which the Shares of the Corporation are then listed and any other regulatory body having jurisdiction hereinafter (hereinafter collectively referred to as, the “**Exchange**”).

4. SHARES SUBJECT TO PLAN

Subject to adjustment as provided in Section 16 hereof, the Shares to be offered under the Plan shall consist of Shares of the Corporation’s authorized but unissued Shares. The aggregate number of Shares issuable upon the exercise of all Options granted under the Plan shall not exceed 10% of the issued and outstanding Shares from time to time less the aggregate number of Shares reserved for issuance under any other Share Compensation Arrangement (as defined herein). If any Option granted hereunder shall expire or terminate for any reason in accordance with the terms of the Plan without being exercised, the unpurchased Shares subject thereto shall again be available for the purpose of this Plan.

“Share Compensation Arrangement” means any share option, share option plan, employee stock purchase plan, restricted share unit plan, deferred share unit plan, or any other compensation or incentive mechanism involving the issuance or potential issuance of Shares to directors, officers, employees or consultants of the Corporation.

5. MAINTENANCE OF SUFFICIENT CAPITAL

The Corporation shall at all times during the term of the Plan reserve and keep available such numbers of Shares as will be sufficient to satisfy the requirements of the Plan.

6. ELIGIBILITY AND PARTICIPATION

Directors, officers, consultants, and employees of the Corporation or its subsidiaries, and employees of a person or company which provides management services to the Corporation or its subsidiaries (**“Management Company Employees”**) shall be eligible for selection to participate in the Plan (such persons hereinafter collectively referred to as **“Participants”**). Subject to compliance with applicable requirements of the Exchange, Participants may elect to hold Options granted to them in an incorporated entity wholly owned by them and such entity shall be bound by the Plan in the same manner as if the Options were held by the Participant.

Subject to the terms hereof, the Board shall determine to whom Options shall be granted, the terms and provisions of the respective Option agreements, the time or times at which such Options shall be granted and vested, and the number of Shares to be subject to each Option. In the case of employees or consultants of the Corporation or Management Company Employees, the Option agreements to which they are party must contain a representation of the Corporation that such employee, consultant or Management Company Employee, as the case may be, is a bona fide employee, consultant or Management Company Employee of the Corporation or its subsidiaries.

A Participant who has been granted an Option may, if such Participant is otherwise eligible, and if permitted under the policies of the Exchange and terms hereof, be granted an additional Option or Options if the Board shall so determine.

7. EXERCISE PRICE

- (a) Options may be exercised at a price that shall be fixed by the Board at the time that the Option is granted. No Option shall be granted with an exercise price at a discount to the market price. The market price shall be the closing price of the Shares on the Exchange on the first day preceding the date of grant on which at least one board lot of Shares traded.
- (b) Once the exercise price has been determined by the Board, accepted by the Exchange and the Option has been granted, the exercise price of an Option may be reduced upon receipt of Board approval, provided that in the case of Options held by Insiders (as defined in the policies of the Exchange) of the Corporation, the exercise price of an Option may be reduced only if disinterested shareholder approval is obtained.

8. EXERCISE OF OPTION

- (a) Manner of Exercise. Subject to the provisions of the Plan, an Option may be exercised from time to time by delivery to the Corporation at its head office, or such other place as may be specified by the Corporation, of a written notice of exercise specifying the number of Shares with respect to which the Option is being exercised and accompanied by payment in full of the purchase price of the Shares then being purchased by certified cheque, bank draft or wire transfer.

- (b) Cashless Exercise. Subject to paragraph 8(d) and the approval of the Board, which approval is at the sole discretion of the Board, an optionee (other than an optionee who is performing Investor Relations Activities (as such term is defined in the policies of the TSX Venture Exchange (the “TSX-V”))) may choose to undertake a “cashless exercise” with the assistance of a brokerage firm with which the Corporation has an arrangement, if any, in order to facilitate the exercise of such optionee’s Option. The “cashless exercise” procedure, if permitted by the Board, shall include the following:

- (i) the brokerage firm will loan money to an optionee to purchase the Shares in respect of which the Option is being exercised;
- (ii) the brokerage firm will then sell a sufficient number of Shares to cover the aggregate exercise price for the applicable exercise of the Option in order to repay the loan made to the optionee; and
- (iii) the brokerage firm will receive an equivalent number of Shares from the exercise by the optionee of the Option, and the optionee will then receive the balance of the Shares in respect of which the Option is being exercised or the cash proceeds from the balance of such Shares.

For greater certainty, the Corporation is not obligated to permit, facilitate or enable a “cashless exercise” of any Option or to enter into or maintain an arrangement with any brokerage firm. Whether an Option may be exercised on a “cashless exercise” basis is at the sole discretion of the Board.

- (c) Net Exercise. Subject to paragraph 8(d) and the approval of the Board, which approval is at the sole discretion of the Board, an optionee may choose to undertake a “net exercise” pursuant to which an optionee shall receive only the number of Shares that is equal to the quotient obtained by dividing:

- (i) the product of (A) the number of Shares in respect of which the Option is being exercised, multiplied by (B) the difference between the VWAP (as defined herein) of the Shares in respect of which the Option is being exercised and the exercise price of the subject Option; by
- (ii) the VWAP of the Shares in respect of which the Option is being exercised.

“VWAP” means the volume weighted average trading price of the Shares on the TSX-V, or such other Exchange on which the Corporation’s Shares may be trading, calculated by dividing the total value by the total volume of Shares traded for the five trading days immediately preceding the exercise of the subject Option. Where appropriate, the TSX-V may exclude internal crosses and certain other special terms trades from the calculation.

For greater certainty, the Corporation is not obligated to permit, facilitate or enable a “net exercise” of any Option. Whether an Option may be exercised on a “net exercise” basis is at the sole discretion of the Board.

- (d) Notwithstanding any other provision of this Plan:

- (i) the “cashless exercise” and “net exercise” provisions contained in paragraphs 8(b) and 8(c), respectively, shall at all times be subject to the policies of the Exchange; and

- (ii) an Option held by an optionee performing Investor Relations Activities (as such term is defined in the policies of the TSX-V) may not be exercised on a “cashless exercise” or “net exercise” basis.

9. NUMBER OF OPTIONED SHARES

- (a) The aggregate number of Shares issuable upon the exercise of all Options granted under the Plan shall not exceed 10% of the issued and outstanding Shares from time to time less the aggregate number of Shares reserved for issuance under any other Share Compensation Arrangement, subject to the following additional limitations:
 - (i) the aggregate number of Options granted to any one Participant (and companies wholly owned by that Participant) in any 12 month period must not exceed 5% of the issued and outstanding Shares, calculated on the date an Option is granted to the Person (unless the Corporation has obtained the requisite disinterested shareholder approval), less the aggregate number of Shares reserved for issuance to such person under any other Share Compensation Arrangement;
 - (ii) the aggregate number of Shares reserved for issuance under Options granted to Insiders (as a group) at any point in time must not exceed 10% of the issued and outstanding Shares, less the aggregate number of Shares reserved for issuance to Insiders under any other Share Compensation Arrangement (unless the Corporation has obtained the requisite disinterested shareholder approval);
 - (iii) the grant to Insiders (as a group), in any 12 month period, of an aggregate number of Options must not exceed 10% of the issued and outstanding Shares, calculated at the date an Option is granted to any Insider, less the aggregate number of Shares reserved for issuance to Insiders under any other Share Compensation Arrangement (unless the Corporation has obtained the requisite disinterested shareholder approval);
 - (iv) the aggregate number of Options granted to any one consultant of the Corporation in any 12 month period must not exceed 2% of the issued Shares, calculated at the date an Option is granted to the consultant, less the aggregate number of Shares reserved for issuance to such consultant under any other Share Compensation Arrangement of the Corporation; and
 - (v) the aggregate number of Options granted to all Persons retained to provide Investor Relations Activities must not exceed 2% of the issued Shares in any 12 month period, calculated at the date an Option is granted to any such Person. Options issued to Persons retained to provide Investor Relations Activities must vest in stages over a period of not less than 12 months with no more than 1/4 of the Options vesting in any three month period.
- (b) The number of Shares subject to an Option granted to any one Participant shall be determined by the Board, but no one Participant shall be granted an Option which exceeds the maximum number permitted by the Exchange.

10. DURATION OF OPTION

Each Option and all rights thereunder shall be expressed to expire on the date set out in the Option agreement and shall be subject to earlier termination as provided in Sections 12 and 13, provided that in no circumstances shall the duration of an Option exceed the maximum term permitted by the Exchange. For greater certainty, if the Corporation is listed on the TSX-V, the maximum term may not exceed 10 years

(subject to extension where the expiry date falls within a Black Out Period, as defined herein). The Toronto Stock Exchange does not impose a maximum term for the duration of an Option.

Should the expiry date of an Option fall within a Black Out Period or within nine business days following the expiration of a Black Out Period, such expiry date of the Option shall be automatically extended without any further act or formality to that date which is the tenth (10th) business day after the end of the Black Out Period, such tenth (10th) business day to be considered the expiry date for such Option for all purposes under the Plan. The ten (10) business day period referred to in this paragraph may not be extended by the Board.

“Black Out Period” means the period during which the relevant Participant is prohibited from exercising an Option due to trading restrictions imposed by the Corporation pursuant to any policy of the Corporation respecting restrictions on trading that is in effect at that time or a notice in writing to a Participant by a senior officer or director of the Corporation.

11. OPTION PERIOD, CONSIDERATION AND PAYMENT

- (a) The Option period shall be a period of time fixed by the Board not to exceed the maximum term permitted by the Exchange, provided that the Option period shall be reduced with respect to any Option as provided in Sections 12 and 13 covering cessation as a director, officer, consultant, employee or Management Company Employee of the Corporation or its subsidiaries, or death of the Participant.
- (b) Subject to any vesting restrictions imposed by the Exchange, the Board may, in its sole discretion, determine the time during which Options shall vest and the method of vesting, or that no vesting restriction shall exist. In the event of a Change of Control and notwithstanding any other vesting or other restrictions or conditions, the Board may take whatever action with respect to the Options outstanding that it deems necessary or desirable, including any acceleration of vesting of any or all of the Options which shall be deemed to occur immediately prior to the Change of Control.
- (c) Subject to any vesting restrictions imposed by the Board, Options may be exercised in whole or in part at any time and from time to time during the Option period. To the extent required by the Exchange, no Options may be exercised under this Plan until this Plan has been approved by a resolution duly passed by the shareholders of the Corporation.
- (d) Except as set forth in Sections 12 and 13, no Option may be exercised unless the Participant is at the time of such exercise, a director, officer, consultant, or employee of the Corporation or any of its subsidiaries, or a Management Company Employee of the Corporation or any of its subsidiaries.

“Change of Control” has the meaning ascribed to that term in section 1.2 of Policy 1.1 of the TSX-V.

12. CEASING TO BE A DIRECTOR, OFFICER, CONSULTANT OR EMPLOYEE

If a Participant shall cease to be a director, officer, consultant, employee of the Corporation, or its subsidiaries, or ceases to be a Management Company Employee, for any reason (other than death), such Participant may exercise his Option to the extent that the Participant was entitled to exercise it at the date of such cessation, provided that such exercise must occur within 90 days after the Participant ceases to be a director, officer, consultant, employee or a Management Company Employee, subject to extension at the discretion of the Board.

Nothing contained in the Plan, nor in any Option granted pursuant to the Plan, shall as such confer upon any Participant any right with respect to continuance as a director, officer, consultant, employee or Management Company Employee of the Corporation or of any of its subsidiaries or affiliates.

13. DEATH OF PARTICIPANT

Notwithstanding Section 12, in the event of the death of a Participant, the Option previously granted to him shall be exercisable only within the one year after such death and then only:

- (a) by the person or persons to whom the Participant's rights under the Option shall pass by the Participant's will or the laws of descent and distribution; and
- (b) if and to the extent that such Participant was entitled to exercise the Option at the date of his death.

14. RIGHTS OF OPTIONEE

No person entitled to exercise any Option granted under the Plan shall have any of the rights or privileges of a shareholder of the Corporation in respect of any Shares issuable upon exercise of such Option until certificates representing such Shares shall have been issued and delivered.

15. PROCEEDS FROM SALE OF SHARES

The proceeds from the sale of Shares issued upon the exercise of options shall be added to the general funds of the Corporation and shall thereafter be used from time to time for such corporate purposes as the Board may determine.

16. ADJUSTMENTS

If the outstanding Shares of the Corporation are increased, decreased, changed into or exchanged for a different number or kind of shares or securities of the Corporation or another company or entity through reorganization, merger, re-capitalization, re-classification, stock dividend, subdivision or consolidation, appropriate adjustments relating to the number or kind of shares optioned or issued on exercise of Options, or the exercise price per share as set forth in the respective stock option agreements, may be made by the Board in its discretion to preserve the value of the option in relation to such events.

Subject to any applicable prior approval of the Exchange, adjustments under this Section shall be made by the Board whose determination as to what adjustments shall be made, and the extent thereof, shall be final, binding and conclusive. No fractional Share shall be required to be issued under the Plan on any such adjustment.

17. TRANSFERABILITY

All benefits, rights and Options accruing to any Participant in accordance with the terms and conditions of the Plan shall not be transferable or assignable unless specifically provided herein or the extent, if any, permitted by the Exchange. During the lifetime of a Participant, any benefits, rights and Options may only be exercised by the Participant.

18. WITHHOLDING TAXES

The Corporation shall have the authority to take steps for the deduction and withholding, or for the advance payment or reimbursement by the optionee to the Corporation, of any taxes or other required source deductions which the Corporation is required by law or regulation of any governmental authority whatsoever to remit in connection with this Plan, or any issuance of Shares. Without limiting the generality of the foregoing, the Corporation may, in its sole discretion:

- (a) deduct and withhold additional amounts from other amounts payable to an optionee;
- (b) require, as a condition of the issuance of Shares to an optionee, that the optionee make a cash payment to the Corporation equal to the amount, in the Corporation's opinion, required to be withheld and remitted by the Corporation for the account of the optionee to the appropriate governmental authority and the Corporation, in its discretion, may withhold the issuance or delivery of Shares until the optionee makes such payment; or
- (c) sell, on behalf of the optionee, all or any portion of Shares otherwise deliverable to the optionee until the net proceeds of sale equal or exceed the amount which, in the Corporation's opinion, would satisfy any and all withholding taxes and other source deductions for the account of the optionee.

19. AMENDMENT AND TERMINATION OF PLAN

The Board may terminate or discontinue the Plan at any time without the consent of the Participants provided that such termination or discontinuance shall not alter or impair any Option previously granted under the Plan.

The Board may by resolution amend this Plan and any Options granted under it without shareholder approval; however, the Board will not be entitled, in the absence of shareholder and Exchange approval, to:

- (a) reduce the exercise price of an outstanding Option, including a cancellation of an Option and re-grant of an Option in conjunction therewith, constituting a reduction of the exercise price of the Option;
- (b) extend the expiry date of an Option held by an Insider of the Corporation (subject to such date being extended by virtue of paragraph 10 above);
- (c) amend the limitations on the maximum number of Shares reserved or issued to Insiders under paragraphs 9(a)(i), 9(a)(ii) and 9(a)(iii) hereof;
- (d) make any amendments to the Plan that would permit a Participant to transfer or assign Options to a new beneficial owner other than for estate settlement purposes;
- (e) increase the maximum number of Shares issuable pursuant to this Plan; or
- (f) amend the amendment provisions of this Plan under this Section 19.

Where shareholder approval is sought for amendments under subsections (a), (b) and (c) above, the votes attached to Shares held directly or indirectly by Insiders benefiting from the amendments will be excluded.

20. NECESSARY APPROVALS

The ability of a Participant to exercise Options and the obligation of the Corporation to issue and deliver Shares in accordance with the Plan is subject to any approvals which may be required from shareholders of the Corporation and the TSX-V or any other stock exchange having jurisdiction over the securities of the Corporation. If any Shares cannot be issued to any Participant for whatever reason, the obligation of the Corporation to issue such Shares shall terminate and any Option exercise price paid to the Corporation will be returned to the Participant.

21. EFFECTIVE DATE OF PLAN

The Plan has been adopted by the Board of the Corporation subject to the approval of the Exchange and, if so approved, subject to the discretion of the Board, the Plan shall become effective upon such approvals being obtained.

22. INTERPRETATION

Terms used but not otherwise defined herein shall have the meanings ascribed thereto in TSX-V Policy 1.1 and 4.4.

23. GOVERNING LAW

This Plan will be governed by and construed in accordance with the laws of Alberta and the laws of Canada applicable therein.
